[Christians Don't Understand Wicca?](#) | [Wicca's Shady Claims](#) | [Principles of Wiccan Belief](#)

Wicca is the name, and witchcraft is the game--and the Devil is laughing his head off. It's time to examine some more Paganistic mumbo-jumbo gumbo. Into darkness we go to discover the evil force that masquerades behind the name Wicca...

Wicca witchcraft calls itself "white witchcraft". This supposedly denotes that Wiccans only do "good" witchcraft. As I see it,

- the witches in Wicca have been watching too much *Bewitched*,
- the witches in Wicca been watching too much *I Dream of Jeannie*,
- the witches in Wicca been watching too much *Sabrina the Good (or Teen) Witch*, and
- the witches in Wicca been watching too much *Casper the Friendly Ghost*.

**According to the Bible, there is no such thing as a good witch.**

Hence, based on the Bible, ALL witches are wicked--including Wiccans. So Christian...if unholy-wood and a bunch of confused Wiccans tell you that white witches are good, who are you going to believe? Them or the Bible? Just because

- a Wiccan who believes fairy stories and legends of the Grail doesn't mean that a Wiccan is harmless or good.
- Just because Wiccans gather herbs and dance naked in the moonlight doesn't mean they are good.
- Just because Wiccans worship the Great Mother earth and are environmentalists doesn't mean that they are good or harmless.

We define good or bad in relation to the Bible and the Bible ALONE.

In this article, we are going to examine some Wiccan beliefs and practices. Any objective person will find that Wicca is made up of fables, vain imagination, paganism, blasphemy, lies, tales, hearsay, and a seemingly endless list of ceremonies, magick, Sabbats, etc. According to former Wiccan High Priest, Bill Schnoebelen, the serious practitioner of Wicca will find himself going to deeper depths which lead further into the worship of Lucifer aka Satan.

I personally hear from Wiccans, pagans, Satanists, Buddhists, etc.--in other words, I get just about every ingredient in the Devil's mumbo-jumbo gumbo. And each of these groups got something in common--Lucifer. And the remarkable thing is that many of these groups actually know him by "Lucifer" or some derivative. Lucifer means "Light-bearer". Lucifer is the Devil/Satan/that Old Serpent/the Dragon!. Lucifer and Satan are not two different entities. New Age people are always talking about light and spiritual guides. These deceived people are talking about the Devil and his devils! They are not talking with "Ascended Masters" they are talking with the Devil and his minions. People at the lower levels of these groups may not realize the role of Satan, but the higher ups most certainly do.

"But" some Wiccan witch may protest, "how can I worship Satan if I don't believe he exists?" If you ain't serving Jesus, you serving the devil de facto. The following link will take you to a page where your question will be further answered. Satan's hoofprints are all over Wicca. [Here](#) you will find two chapters of *Wicca: Satan's Little White Lie*.

The information on this treatise on Wicca is taken primarily from a book entitled, "Wicca: Satan's Little White Lie" by Bill Schnoebelen. This book will give insight into the web of confusion, lies, fables, myths, and deceit found in Wicca. Mr. Schnoebelen was--

"initiate into the Alexandrian Wicca on Imbolc, February 2, 1973 and made a High Priest and Magus in September of the same year. That summer his lady and he were also promoted to the High Priestly rank in the Druidic Craft of the Wise. They also helped establish a Church of All Worlds "nest" in Milwaukee and studied under Gavin and Yvonne Frost and their Church and School of Wicca. They presided over one of the oldest and largest networks of covens in the Midwest."

[\*\*"Wicca: Satan's Little White Lie"\*\*](#) page 10

Bill Schnoebelen eventually went on to Satanism.

According to Catherine Edwards Sanders, *Breaking the Spell: The Hidden Traps of Wicca...*

*"Wiccans do not believe in sin as Christians do. They see sin as an outdated, constraining concept. Therefore, they see no need for God. Wiccan high priestess Starhawk says, 'We can now open new eyes and see there is nothing to be saved from, no struggle of life against the universe, no God outside the world, to be feared and obeyed.' Through spiritual self-improvement, Wiccans hope to reach their equivalent of heaven, called the Summerland or the Land of Eternal Youth. On the other hand, the Bible tells us that no amount of good work can get us to heaven. Through Christ alone we are saved."*

## **Wiccan Religion Founded by a Freemason!**

### **WICCANS SAY THAT WICCA IS OLDER THAN "CHRISTIANITY"**

Wicca adherents will tell you over and over that Wicca is older than "Christianity" (not a Bible word). Witchcraft is not older than worship of the true God. It came up in OPPOSITION to the worship of the true God.

Nothing is older than the Kingdom of God. The eternal God is the Author and Finisher of His kingdom. Nothing predates Him. From the days of Adam through the present day, God has continuously built a spiritual house composed of living stones--men, women, boys and girls (see 1st Peter 2:5, Ephesians 2:20-22, 2nd Corinthians 6:16, 1st Corinthians 3:16, 6:19). These are people who have believed in Him in every age, have exercised faith in Him, and have worshipped Him. God is a builder.

*Ephesians 2:19-22 Now therefore ye are no more strangers and foreigners, but fellowcitizens with the saints, and of the HOUSEHOLD of God; And are built upon the FOUNDATION of the apostles and prophets, Jesus Christ himself being the CHIEF CORNER STONE; In whom all the BUILDING fitly FRAMED together GROWETH unto an holy TEMPLE in the Lord: In whom ye also are builded together for an HABITATION of God through the Spirit.*

The earthly father of all these stones was Adam. The lineage of Jesus Christ is traced back to Adam in Luke 3:23-38. Before Adam, there was no man...so...no, witchcraft is not older than worship of the true God. It came up in OPPOSITION to the worship of the true God.

### **WICCANS SAY THAT WICCA IS THE "OLD RELIGION"**

Wicca as a group is not old. Wiccans believe the lies that their leaders have taught them. This should be no surprise because their father, the devil, is the "father of lies" (John 8:44). And because they have not received the love of the truth, the Lord has given them over to strong delusion that they should believe, and defend, lies. According Mr. Schnoebelen on page 11 of his book on Wicca--

*"Although much of the extant literature written by witches (and Dr. Margaret Murray's work) would lead one to believe that Wicca is a survival of the ancient pagan fertility cults, especially of Northern Europe and the British Isles; there is not a shred of real historical proof for any connection between Bronze Age cults and modern witchcraft."*

*"...it seemed that Wicca is, in fact, a manufactured religion not much older than this century. There did not seem to be evidence for any Book of Shadows (a combined "bible" and ritual book for Wiccans) much older than the 1910's! [the BoS was probably the result of a collaboration between Gerald Gardner and the notorious Satanist Aleister Crowley, p. 22]"*

Although Wicca is new, the forces behind Wicca aren't new. Wicca is the same old wicked devil worship and rejection of God. It's simply been warmed over and served to a spiritually devastated world. People would rather believe lies and do what they want to than believe the Lord and surrender to Him. Consequently they will have no peace. Jesus or hell are the only two choices.

## BASICS OF WICCA

Cult name: Wicca.

Founder: Gerald B. Gardner (1884-1964). In 1949 Gardner wrote a book entitled, "High Magic's Aid". He wrote under his witchcraft name "Scire". This novel set the tone for the myth of Wicca. Notice Wicca is based on a fictional book. According to *Little White Lie*--

*"Gardner claimed there were covens of witches in Britain practicing not an anti-Christian religion, but a "pre-Christian" religion. This, he claimed, was called Wicca..."*

*"This he asserted, was the "Old Religion," an animistic worship of the principals of nature and reproduction; rather like a warmed-over rehash of Fraser's anthropological chestnut, THE GOLDEN BOUGH. The gods of this Old Religion were a supreme Mother Goddess who*

*ruled the earth, the moon, the sea, and things agricultural. Her secret name (in his coven anyway) was ARAYDA. There was also a Horned God who ruled the sun and hunting, who was variously called Herne, Cernunnos or Pan.*

*"Thus, Wicca was not an attack on Christianity, but was supposedly a much older religion whose gods were old when Yahweh of the Bible was in knee pants. According to Gardner, witches worshipped naked (or "skyclad" as he preferred to call it) and were matriarchal..."*

Many higher level witches understand that Wicca is a compilation of myths; nevertheless, like Carl Jung they perceive that myths have a life of their own and even if they are not literally true they still have an archetypal power all their own. So a lie can be the truth. But the Bible says--

***"no lie is of the truth." –1st John 2:21***

Lower level initiates believe everything they hear and read and will argue you all day long that Wicca is the "Old Religion". Back to *Wicca: Satan's Little White Lie*--

*"It is now a matter of common knowledge that much of Gardner's story is fiction. Yet, most witches aren't bothered by that. Since the seventies, many witches wanted to be totally creative and make up their religion out of their heads--without trying to make any pretentious claims about having "unbroken lines of power" back to medieval "Kings" of the witches. Most Neo-pagan groups fall into this category. They are based on myths, fantasy or even science-fiction stories."*

Christian, could you imagine basing your life on science-fiction? That is straight up vain imagination. My life based on fairy stories from unholy-wood? My life based on fairy stories and legends? Basing my life on fables? But you see the scriptures have come to pass--

***"And they shall turn away their ears from the truth, and shall be turned unto fables." –2nd Timothy 4:4***

***Timothy 4:4***

Wicca didn't end with Gardner. Alex Sanders (aka "King of the Witches") came up with his own brand of Wicca but...

"By the early 70's there were dozens of traditions of Wicca; some splintered off Gardner or Sanders but most were totally original. There were ethnic witches like the Welsh Traditionalists (headed by a homosexual [sodomite], Ed Buczynski), Georgian, Nordic, Sicilian Stregoi, Hispanic Brujeria and the Druidic Craft from Scotland, plus the controversial but highly successful Church of Wicca of Gavin and Yvonne Frost. (p. 17)

"There are many differences between these dozens of groups. Some worked nude, others robed. Some whipped, most didn't. Some used ritual sex or even orgies, some abstained. A few common elements can be found, though, in all Wicca and Neo-Paganism:

1. A polytheistic world-view; usually a god/goddess pair.
2. A belief in "westernized" reincarnation (no moving backward to incarnate as animals, just moving forward to be reborn as humans)
3. A shamanic worldview similar to animism (the belief that all objects have life and souls) which includes strong ecological overtones and often an openness to some drugs.
4. Most are militantly feminist and politically left-wing, even anarchistic; although there are exceptions.
5. A "do your own thing" morality, as long as it doesn't "hurt anybody." This often included free sexual activity at least within the group.
6. An "Aquarian" view of human destiny--the seed bed from which was grown much of the New Age movement--the notion that persons can evolve spiritually through their own efforts and ultimately attain either enlightenment or even godhood.

It is easy to see that with values like this, Wicca took off like a rocket among the "hippie" generation... (p. 18-19)

Overview of the group: Wicca claims to be "a back to nature" type religion that worships the sky and earth. It is goddess worship. Some of 'em proudly tote bumper stickers that say, "In Goddess We Trust". Their chief deity is the Great Mother, "Holy Mother Earth". According to Mr. Schnoebelen, there is a certain charm and nostalgic fantasy to Wicca. Wicca transports folks from the high-tech world of today to cultures past, to fantasy, to science FICTION. In other words, they are tooted away from REALITY.

"Add to this intriguing stew, Satan added such notions as ecology, environmental awareness and feminism." p. 19

## WICCA TENETS

- Wiccans say Jesus went through individuation, meaning He embraced His "dark side" (p. 34). Jesus ain't go no dark side! He knew no sin (2 Corinthians 5:21)
- Wicca has many denominations/sects/traditions. Some are large like the Alexandrian, Gardnerian, Druidic, Welsh Traditionalist, Georgian, Dianic, and

Church of Wicca. Others are as small as a single coven of 13 or family tradition.

- Satan is a Christian myth.
- Wiccans say Wicca means "wise one". Mr. Schnoebelen states that the Oxford English Dictionary defines Wicca as, "twisted, bent, or warped". Wiccan writers admit this on some level (p. 12-13). To this writer, Wicca means "wicked"!
- Satanism is just a perversion of Christianity whereas Wicca is an older, purer faith which stood on its own merits.
- Neo-pagan writer Tim ("Otter") Zell says it is an "old religion for a new age". A generation that throws off the God of the Bible is deceived enough to embrace a lie that fits in with their lusts, earth worship, spiritual voids, love of science FICTION, romanticism, and adopted legends. In other words, anything that feeds their flesh and don't mean nothing. Vain imagination is the name of the game for the duped.
- Non-witches are "cowans".
- Many Wiccans start out refusing to do any magick which would influence people against their wills. This oftentimes don't last long.
- The Wiccan Rede, is "an it harm none, do what ye will". It is perilously close to the Crowley's (a Satanist) commandment, "Do what thou wilt shall be the whole of the law."

## **Satan's Hoofprints are All Over Wicca**

### **I was a sold-out, goddess-worshipping witch!**

---

In the Old Testament, witchcraft was punishable by death. Though this may seem like cruel and unusual punishment, it shows the attitude of God toward the sin of witchcraft. God hates it. Certainly, God loves all sinners; not their sin, but the people themselves. Jesus died for all mankind because God loves all mankind. Even the vilest sinner is offered a pardon for their sins if they'll simply come by way of the cross of Jesus Christ for forgiveness.

***Exodus 22:18, "Thou shalt not suffer a witch to live."***

## **WICCAN RITES**

- they think their rites benefit humanity and the earth. Performed to nature deities like Pan, Diana, Cernunnos.
- performed rites of passage and initiation--Mr. Schnoebelen stood blindfolded, naked and bound at the edge of the Circle "which is placed between the worlds." He was anointed as a Priest of the Goddess and learned her secret name. "She is supposedly the One 'who was with me from the beginning, and who was attained at the end of desire.'"

- For those who would progress further in Wicca they get into a relationship with the Lord of the Underworld, the Dark Lord of Death. This Dark Lord of Death is the darker aspect of Cernunnos or Lucifer, the Horned God of Wicca. Read "Wicca: Satan's Little White Lie" for more information on the rite of "The Descent of the Goddess into the Underworld". Learn about the necklace, eternal marriage, and reincarnation in Wicca.
- As the Wiccan progresses, he is told to essentially embrace the dark side of his nature (the Bible calls it sin) just like the goddess went down to the Lord of Death. Miriam Starhawk, a leading thinker of the Wicca movement wrote,

"The depths of our beings are not all sunlit; to see clearly we must be able to dive into the dark, inner abyss and **Acknowledge the creatures we may find there.** p. 31

What kinda creatures are you going to find there Starhawk (always coming up with some silly names)? I'll tell you what kind--DEVILS! She knows that, but she won't call 'em by name, but I will. DEVILS!

- Satan is a Biblical myth, and a slander on the true god of light, Lucifer p. 38
- They totally disrespect the God of the Bible. p. 38-39 Sickos ?add scripture
- With the institutionalization of "Christianity" in the fourth century (Catholicism, I suppose) all the true secrets of Jesus (say He was a witch with a coven of 12 apostles--blasphemy) had been destroyed and that the true, older religion of Wicca had been driven underground.
- Lucifer (often known as Bel, Lugh, Herne, Faunus, Pan or Cernunnos) was the true God and that Satan was a boogy-man manufactured by Christians.
- In Wicca: Satan's Little White Lie, read more about--
  - bathing in ice cold stream and celebrating the March equinox naked under the stars p.7
  - dancin' around naked under the moon.
  - wild circle dances
  - burning frankincense
  - circle ceremonies
  - Sabbats
  - ceremonial magick
  - qabalism
  - Gardner's Wiccans--
  - dancing naked in a ring within a magick circle

- ritual sex on solemn occasions
- whip one another ceremonially to purify and raise the power.

Read "White Lie" for yourself and learn about the relationship between the leaders of Wicca (Gardener and Sanders) and Aleister Crowley this century's most infamous **SATANIST**. Crowley proclaimed himself the wickedest man in the world and Mega Therion, the Great Beast. For the importance of the Grail legend to the deceived Wiccan, see p. 235 of Lucifer Dethroned also by William Schnoebelen.
